### Christian Church Notes.

On the 21 day of January, 1920, the Christian church of Forest City began a meeting, with E. B. Havener, district evangelist, preaching, and Miss Alice Murphy, of Dearborn, leading the song service. During this meeting of two weeks, we re-dedicated our house of worship, had 37 added to the church, and had a great spiritual uplift that strengthened the church, as we felt it had never known before. Brother Havener is a fearless preacher of the gospel of Christ, but he does it in all charity, so, wondering if it would be possible to have such a meeting again, led by the same evangelist, the call was given. Brother Havener again, Miss Leila Bell Elm, of Bethany, Mo., taking charge of the music, beginning the meeting exactly one year later, the 21 day of January, 1921, and it was a revival from the very beginning to the close, nine responding to the invitation the last evening. Miss Elm proved to be one of the very best chorus leaders ever seen in our community. Her work with the children was exceptionally good, and the special songs each evening delighted the audiences. In over two weeks of invitation, we had 44 answer the call. The church has been strengthened in all its departments. 116 in Sunday school last Sunday. We are glad for the spirit of Christian fellowship that existed among the Christian people of all the churches.

The Philomathean Literary Society gave a program, January 14. This program was different from any given before, and consequently was very interesting.

The program was one that might have been given by primary students, and it certainly was laughable to hear high school students reciting such pieces as "Mary Had a Little Lamb," and "Jack and Jill." The number enjoyed most was a story told by Miss Dora Baker, entitled "Bob's Dream."

The students of high school are expecting the Philos to give a program in the near future, as interesting as the last one.

A demonstration on the Burroughs adding machine was given by L. C. Harris, of St. Joseph, agent for the Burroughs Adding Machine Co., Monday of last week, to the book-keeping class.
